Re: Application # 10/664,363

Applicants: Troyk and DeMichele

Filed: September 22, 2003 Art Unit 2681

Dear Sir:

This application was filed in September of 2003, nearly two years ago. To date we have had no action on the case. I checked PAIR and it shows that the above application number (10/664,363) is invalid. The address on the Foreign Filing license is correct for my as the attorney of record (20A Edwardsville Professional Park, Edwardsville, Illinois 62025).

Please advise me of any action or the status of this application.

Sincerely,

Don Weber
